Activity:

1. Select a number of dialect words. These can either be random or theme based. A word list is provided.
2. Distribute the list of words and ask the children to select a word they particularly like, use or haven't heard of before.
3. Ask them to illustrate the word on paper.
4. Then ask the children to show the meaning of the word using facial expression, and gestures or objects.
5. Take a photo of the children demonstrating the word and make a booklet or wall display.
