

## **Da Kittiwake** - James Stout Angus (*from a longer poem*)

Peerie mootie! Peerie mootie!

O du love, du joy, du beauty!

Whaar is du come fae? Whaar is du been?

Wi dy swittlin feet an dy glitterin een.

Wi dy back sae blue an dy neb sae smaa,

An dy breest as white as da driven snaa,

Hit's a lang time noo at du's never been seen,

Whaar, can du tell me, whaar is du been?
